### **Celebrity Duets Text Voting**

1. You can cast a vote from your mobile phone by texting DUETS<space>CONTESTANT NAME to 367 for Smart and Talk and Text subscribers, 2344 for other telcos. Voting period will be announced on every episode. Any text votes received (a) before or after the specified voting period for each episode or (b) beyond the maximum 10 votes per mobile number per voting cut-off will be disqualified and will not be counted towards the final result for that episode. Please note that voting time may vary for each episode.

2. Globe, TM, Smart and Talk 'N Text subscribers will be charged P2.50 per text while Sun Cellular network users will be charged P2.00 per text. Some network users may also be charged a standard rate per outgoing text —therefore the total cost of voting is dependent on Your network.

3. In certain circumstances due to volume and Operator network capacity management, text votes sent during the voting period may arrive outside of the voting period, this is beyond the control of GMA and NMI. Such text votes will also be disqualified.

4. Any text votes submitted outside the voting periods, as defined by points 1-3 above, will not be counted but may still be charged by their operator network.

5. NMI adheres strictly to Operator customer care policy on repudiation and reconciliation for their subscribers' activities; any claims for fraud, misuse or technical error must be categorically proven before charges can be disputed.

6. For the avoidance of doubt, you will not be entitled to any refund for any disqualified text votes or for any text

votes which arrive outside of the specified voting period due to volume and Operator network capacity management and other circumstances beyond the control of GMA and NMI. GMA and NMI shall not be liable for any losses or damages incurred by You in this connection.
